

The Brook Model

Park Model Homes 2022

**Exterior finishes, fixtures and equipment may differ.*

BROOK

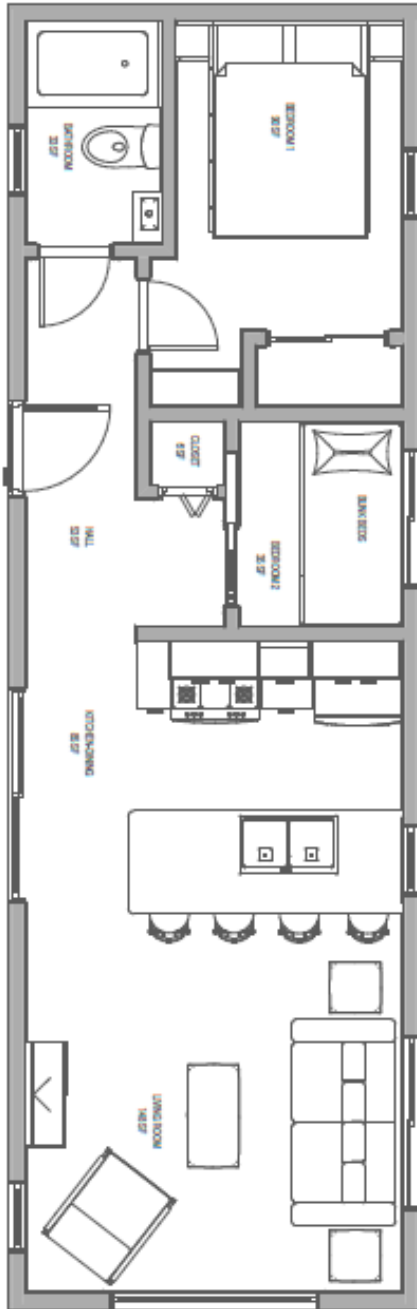

456 sq. ft. | 38' x 12'

Step inside to all the creature comforts of home.

Every model is designed so that natural light streams in through windows large and small. Recessed LED light fixtures, simple, modern fabrics and clean lines present a beautiful canvas; just add a splash of your favourite things to make it your own.

Design Features

2 bed | 1 bath | Eat-in kitchen & stainless steel appliances | Custom millwork in kitchen & bedrooms

BROOK

456 sq. ft. | 38' x 12'

Enjoy time with family and friends in your stylish, two-bedroom, one bath model, filled with natural light and fresh country air. Stay cool and safe with our smart-design air treatment system. On crisp spring and autumn nights, keep cozy by the fire. Whether you're diving into a great conversation or a fabulous book, this is the place for you to truly let go.

**Simple
beauty on
the outside,
modern
convenience
on the
inside.**
